

Ten Reasons Smart Travelers Use a Travel Agent

Compare the services our travel agents against any other means of buying travel. There's no competition.

- 1. The best value for your travel dollar**
We inform you about all your choices, let you know about special promotions, and can advise on the quality of a particular product.
- 2. Customer Advocate**
Experience problems during your trip? We can assist you in resolving concerns.
- 3. Personal Advice**
Our job is to make sure you get where you need to go, at the best price, and in the most pleasant way possible.
- 4. Unbiased Information**
We work for you, not the travel supplier. Our only objective is to get you the best value and satisfy you completely. That way you'll come back and see us again.
- 5. Maximum Choice**
We give you a wide variety of travel options and quotes from competing travel suppliers.
- 6. Expert Guidance**
We're experts in understanding and deciphering the intricacies of the system and in helping you take full advantage of them.
- 7. Time Savings**
We have all the information at our fingertips and can pull up all your travel options within seconds.
- 8. Convenient one-stop shopping**
We'll save you time and money by handling every aspect of your trip, from air tickets to car rental, and from lodging to activities.
- 9. Personalized Service**
We're not some impersonal voice thousands of miles away. We're your neighbor. We know you and what you value in your travel experience.
- 10. Trust**
We're not some anonymous Web site or long distance number. We're a local business. You know how to reach us when you need us.

Without a travel agent, you're on your own.
